Our Book week is well underway and everywhere I look pirates appear. Please note that the Book Shop in our Cottage is open both before and after school. This is a wonderful opportunity to fill your shelves at home with good quality books at great prices and also help the school.

Tomorrow is our open afternoon which simply means that you are welcomed into our classrooms to read to children and be read to. Please extend this invitation to your wider family. Our book shop is also open during this time.

Friday is an opportunity for our children to dress as characters from books. They don't necessarily have to be a pirate. We will have a small parade and a few prizes to give out for cool dress ups.

Unfortunately I couldn't make the PTA meeting on Friday but from the reports I have heard it was a really good positive meeting. As a result our PTA

have set the date for our annual Disco (see below). Looking forward to another great evening - our discos are really neat events.

I am still in AWE of the achievements at our Working Bee last week and am continually reminded of the hard work put in by everyone as I walk around the school.

Every week seems to be a busy one at KFS and I want acknowledge our hard working staff who just keep on giving. It is easy to take our staff for granted but when I talk to other Principals I am often reminded of how lucky we are with our group of people who will always go the extra mile to make something work. Our book week is an example of this as **all** of our staff members get involved by reading to students and manning the book shop.

Help!

Hi There. We have had a push bike stolen from our cattle yards at the end of our driveway (899 KF Rd). You would not see it driving by, but yesterday (Monday 29th) we had a road maintenance crew with cones etc right outside our driveway. I think they were washing the bridge. If anyone noticed the road maintenance company name or saw anything please phone Brett or Cherie on 09 4225224. Thanks for your help!

Every child succeeding in an encouraging and stimulating learning environment.
