Attendance

Thank you to those parents that have made a real effort to ensure children are at school on time and when children are late that they report to Jan in the office prior to going off to class. This enables us to keep accurate attendance records and helps us with our systems. Please also ensure that if your child is absent for any reason you contact the school.

School Portal

Last week you should have received an E-mail inviting you to logon to our school portal. This is a feature of our student management system and enables you to check that your data is correct in our system. Please let Jan know if you find any inconsistencies. We will soon make caregiver reports available through this portal and gradually introduce any new features.

The Perfect Gift.

What a fabulous day out we had last week at the beautiful Warkworth Town Hall. The Perfect Gift was a really well crafted story filled with fun and laughter presented by three wonderfully talented actors who played beautifully to their audience.

Ten of our children participated in a dance and drama workshop prior to the show. This was a terrific opportunity for these children, working with such talented actors and experiencing something very different. Thank you to all those parents who provided transport and helped make the day possible.

Show Day

It is great to see the goodies coming in for show day. Please remember to put your name on the roster sitting under the television in the hall way.
