Country Show Day!!!!!!!!!!!!**

#### Tena Koutou Show Day

It is hard to put into words the pride I have in being Principal of Kaipara Flats School. Saturday was just an absolute shining example of our community.

As it says above thank you to everyone concerned however I want to thank Clare Dill, Mary Hamilton, Sarah Weatherall and Nikki Swanerton specifically, for taking over the leadership reigns of our PTA this year and working so very hard to produce a Show Day that was absolutely top drawer.

The day built on the strong legacy left by previous PTAs and was bold enough to innovate and add a number of events and ideas that only enhanced our show day's reputation for representing much that is great about the rural lifestyle.

Our fundraising target for the year was well exceeded by the outstanding total of \$29,000. Once again thank you to everybody.

#### Container Sale.

There will be a container sale this afternoon, please see the advertisement later in the newsletter.

#### Puberty Plus

I would like to remind our year 5 and 6 parents about the Puberty Plus parent evening tonight. This is specifically to inform you of the content of the children's programme. See the notice for details.

#### Bark Day

We have obtained a grant to replace the fall material under our playground. We are proposing to do this on Saturday the 25th of November. We have the use of two diggers but require significant man power to shift the stuff around. This is conveniently the day that the PTA has planned a shopping trip to Otara Markets.

Please put this date into your diary, it will be a big day as we need to take the existing material out and dump it before we put the new stuff in. Please let me know if you have any resources like a truck that may be of some assistance.

Nga mihi
